## 30 Inches Of Snow On Ground Here; More On Summit

### Temperature Drops To 7 Below As Traffic Is Snarled On Road

The inevitable January storm struck this district Saturday and before it left 39 inches of snow had fallen in Truckee with up to five and six feet on Donner and laid a 60-inch pack on the Olympic grounds at Squaw Valley.

The storm fouled traffic over the summit and it was necessary to close the road for short durations while stalled trucks and cars, many involved in minor accidents, were cleared away.

Schools throughout the district were closed Tuesday because of the continuing snow and clogged highways. Department of highways and county crews, working around the clock managed to keep the streets and roads passable despite the heavy storm.

The U. S. Forest Service reported 30 inches of snow on the ground yesterday and precipitation for the storm was 3.08 inches, bringing the total to date to 6.21 inches.

Low temperature for the week was recorded with a 7 below zero on Wednesday morning while the high was 39 degrees on Sunday.

**BOCA COLD**

Twenty-seven degrees below zero was reported from Boca yesterday morning by Harold Pabst, with some Truckee thermometers registering to a low of 17 degrees below the zero mark.

Skiing conditions on Donner were excellent. The Sugar Bowl reported 60 inches on Mount Lincoln and 55 inches of powder snow at lodge level.

The Australian Olympic Ski Team arrived at the Sugar Bowl Sunday and will be training there until January 22 when they leave for Alta, Utah where they will compete in national championship before returning to Squaw Valley for the Olympic games. D. C. MacLurcan is general chairman of the race committee.

## Stamp For Games To Be Issued Soon

Congressman Harold T. (Bizz) Johnson of the second district, which next month will be the site of the Eighth Olympic Winter Games, announced today a 4 cent commemorative stamp will be issued to mark the opening of the Olympics.

Honoring the Squaw Valley event, the stamp will feature the Olympic emblem of five entwined links and a stylized snowflake. In addition to the wording VIII OLYMPIC WINTER GAMES, the stamp will carry the words CALIFORNIA 1960.

"Collectors desiring first day cancellations," Johnson said "may send addressed envelopes, together with remittance to cover the cost of the stamps to be affixed, to the Postmaster, Tahoe City, California.

"First day covers will be postmarked "Olympic Valley, California," the name of the station established by the Tahoe City Post Office at the site of the games to accommodate athletes and visitors."

"The stamp will be placed on first day sale at Olympic Valley February 18," Congressman Johnson added.

## RAINBOW GIRLS TO SPONSOR DANCE SAT.

The Order of Rainbow for Girls of Truckee will sponsor a post-game dance Saturday, January 16 between 10 p. m. and 12 p. m. at the Masonic Hall in Truckee. Admission will be 50 cents and everyone is invited.

Co-chairmen of the dance, Pat Saarni and Evelyn Hintz, said enthusiastic preparations are being made by the various committees for decorations, refreshments and entertainment.

Committees appointed last week are as follows:

Refreshments: Ellen Rich, Leilani Braasch, Kathy Sequist.

Publicity: Carol Hampton, Lydia Craig.

Decorations: Dorette Rose, Ginger Barnes, Cookie Smart.

Cleanup: Evelyn Hintz, Leiane Kay, Pat Saarni, Vicki Firpo.

Entertainment: Carla Baxter, Kathy Barker, Margie Pearson, Donna Barnes, Joan Brown.

## MRS. O'BEAR NAMED TO WRITERS' GROUP

Virginia O'Bear, Truckee, has been accepted as an associate member of the National Writers Club whose home offices are in Denver, Colorado.

The organization, which serves freelance writers by informing, advising and aiding them professionally, was organized twenty years ago. Memberships are awarded on the basis of serious effort on the part of the writer and adherence to the club's code of ethics.

## Many Mishaps Are Blamed On Snow Covered Highway

Snow covered roads and icy pavements during the past weekend caused a rash of accidents, the California Highway Patrol reported.

At least four personal injury accidents were recorded and there were scores of property damage mishaps.

Three people were hospitalized Saturday morning at 4 o'clock when a car driven by Althon Ward, 46, Oakland, was struck and knocked down a 150-foot embankment three miles west of Floriston by a truck driven by Sherman N. Drain, 33, Magna, Utah.

Taken to the Tahoe Forest Hospital by Truckee Ambulance were Ward, Thomas J. Hill, 72, both of Oakland and Mary C. Dill, San Francisco. Drain was cited by the patrol for speeding.

**WOMAN HURT**

Mary Violet Rhodes, Crystal Bay, was taken to the hospital with injuries after the car she was driving skidded in Kings Beach and ran off the road at 4:30 a. m. Friday.

**BOY RUN OVER**

Five year old Randall Lee Ditteneir of Floriston was taken to a Reno hospital Sunday morning after he was run over by a vehicle driven by Lester Martin Felesina, also of Floriston. Felesina was plowing snow and did not see the boy. Details of the accident and the boy's condition were not immediately learned.

**PEDESTRIAN HURT**

Bill Schmidt, 23, Gridley was seriously injured Saturday morning at 3:40 o'clock when he was struck while walking along the highway near Floriston by a car driven by William Cherry, 49, of Oakland. Schmidt had had trouble with his car and was seeking assistance when he was hit. He was taken to the Tahoe Forest Hospital by Truckee Ambulance.

## ENFORCEMENT FOR CURFEW PROPOSED

More strict enforcement of the curfew ordinance will be the order of the day following juvenile vandalism on the part of two boys cited by Deputy Sheriff Emery Lander for destroying the surface of the ice pond south of town last week.

The two were cited to appear to answer charges of vandalism and violating the curfew ordinance on January 19.

Local men, including Dr. Tapia, Jack Neugebauer and Lander had worked to get the pond in shape and at 11 o'clock at night the two boys went to the pond, broke up the ice and created a general nuisance.

"We have been lenient in the past," Lander said, "but from now on the curfew ordinance will be enforced to the limit. This type of vandalism will not be tolerated."

## FIRPO IS RENAMED TO HEAD HOSPITAL BODY

Expansion of the hospital plant and extension of the district boundaries will be the principal objects of the Tahoe Forest Hospital District board of directors during the coming year.

This was determined at a reorganization meeting of the board Friday at a dinner in the hospital attended by the medical staff.

I. J. Firpo was renamed board president for the year and Charles R. Heller was returned as secretary. Other board members are Ted D. Barrett, Gordon D. Moyer and James A. Sherritt. J. J. McGlade is the hospital administrator and Daven Morey, treasurer.

## JIMMIE HEUGA WILL RETURN TO SCHOOL

Jimmie Heuga, a junior at Tahoe Truckee High School, has been training with the Olympic training squad. Although Jimmie, 16, and the youngest member of the squad did not make the team, he gained valuable experience and training.

He will continue to ski for the Far West Ski Association, and will complete his studies at Tahoe Truckee, where he will be a member of the ski team.

**At Spring Mart—**

Mr. and Mrs. Charles Heller made a one day trip to Oakland to buy Easter and spring merchandise for their Variety store. While at the mart they met Joe Saia of Sacramento.

## Officials Puzzled As Man's Body Is Found In Truckee

### Veteran's Body Is Found Lodged On Rock In Mid-River

Authorities have virtually abandoned any hope of discovering how Robert Joseph McMahon, 43, got into the Truckee River where his body was found shortly after 1 p. m. Saturday by two boys walking along the bank just below the Bridge Street bridge.

McMahon was last seen at the Alpine Riverside Hotel at 1 a. m. Saturday. It is presumed that he went for a walk and either accidentally fell or jumped into the river.

Identification was made through papers found in the clothing which showed he was a former army sergeant, discharged at McClellan Field, Sacramento, in June, 1944. He had recently been employed at Rockfield, Ill., and a telephone call by Coroner Alvah Hooper to that city revealed he left there on December 18.

Hooper also learned that his only known relatives, a brother and sister-in-law, were killed in an automobile accident in Arizona last summer.

The man's wallet disclosed a bus ticket from San Francisco to Denver and $235 in cash.

The body was found lodged on a rock about 15 feet from the river bank. It was recovered by sheriff's deputies and taken to the Truckee Colonial Mortuary where services were planned for Wednesday afternoon.

The deceased was apparently a native of Indianapolis, born January 28, 1917.

## Meeting Planned For Decorations

Jack Starratt, chairman of the civic Olympic committee for this region, has called a meeting for Friday at 1:30 p. m. for the purpose of discussing flag decorating in the North Tahoe and Truckee district during February when the Olympic games will be held at Squaw Valley.

The meeting will be held at Tahoe Inn and everyone interested is urged to attend.

It is hoped, through the meeting, to interest all communities in the area in securing uniform flags at a unit cost. A representative for the official flag makers for the Olympics will be on hand to explain the project and answer questions.

Starratt said Tahoe City plans to spend $1,000 for banners and flags to adorn 44 poles with three by five flags from all nations and have ten official Olympic flags at various locations.

Representatives from all the various communities in the region are asked to be present so that a more or less uniform decorating scheme can be arranged.

## DAILY TICKETS FOR ARENA AVAILABLE

SQUAW VALLEY — Daily tickets to the ice arena competitions of the VIII Olympic Winter Games here Feb. 18-28 are now available, it was announced today by Clive Becker, organizing committee ticket director.

The decision to make available more than 1,000 seats on a daily basis was the result of hundreds of requests from sports fans.

The daily tickets to the Ice Arena now available follow:

Feb. 18 through Feb. 22.... $25
Feb. 23 through Feb. 26..... $15
Feb. 27 and Feb. 28..... $25

Tickets may be obtained by contacting Olympic Winter Games, San Francisco.

## WALKERS ESCAPE IN HIGHWAY COLLISION

Mr. and Mrs. James Walker escaped serious injuries Saturday evening when their car was struck headon by an east bound vehicle near the junction of U. S. 40 and Highway 20. The Walkers were en route to San Francisco on business when the oncoming car skidded sidewise into their left front fender. Mrs. Walker suffered painful bruises on both knees and the car was damaged to a great extent.

The Walkers spent Saturday night at Nyack and returned home, abandoning their bay area trip.

## SUNBEAMS

By WALTER M. BARRETT

Some people are funny about parking their cars on the main street. They look for a hole in the snow bank, jam their car in and leave it for days on end, probably feeling a sense of security as it is on a well lighted street with people passing constantly. This may be good for the car owner, but it's very bad for business houses and prevents snow removal crews from accomplishing a much needed and certainly greatly appreciated task. If drivers would only be more thoughtful and see to it that their vehicles are not left in the way of snow removal equipment or taking up spaces needed by shoppers there might never be a need for the 2-hour parking law which is almost sure to be enforced unless drastic changes in driver habits are made.

The Olympic winter games are only a month in the future and already contestants are starting to arrive in the area. So far very little has been done to decorate the town for this once-in-a-lifetime occasion. Kings Beach, Tahoe City, Tahoe Vista and other Lake Tahoe communities are busy stringing banners and installing flags and it is incumbent upon Truckee to start the ball rolling. We are sure to have thousands of visitors and while none of us are ashamed of the looks of our town, we should make a special effort at this time to give it a more festive and inviting appearance. Banners and flags are available and should be displayed profusely.

## CHURCHMEN AGAIN TO SERVE BREAKFAST

KINGS BEACH—The men of the Kings Beach Community Methodist Church are planning a breakfast for Sunday morning, January 24. Two previous affairs put on by the men were very well received and it is hoped that this one will be just as successful.

The breakfast is open to the public and will be served from 8 a. m. until 10:45 a. m. in the Fireside Room of the church. They are offering orange juice, hot cakes, ham, scrambled eggs, and milk or coffee at $1.50 for adults; 75 cents for children under 12; or $5 for a family ticket.

Everyone is invited to come and eat all they like and stay for the worship service at 11 a. m. if they wish.

## MEETING IS CALLED TO STUDY TV PLAN

A complete explanation of the proposed broadening of television reception in the Lake Tahoe-Truckee area will be given at a meeting at 8 p. m., January 20 at the fire station in Tahoe City, Ed Bean, general chairman of the committee in charge, announced.

The proposal made some time ago, would give the area three additional clear channel stations through the installation of a booster devise on the high mountains in the region.

The cost would be only $10 per subscriber and this would entitle the TV owner to purchase a converter at wholesale, effecting a savings of more than $10. A charge of $2 per year would care for the maintenance service.

A representative of Adler Company will be on hand to answer questions and give details of the plan and everyone interested is invited to attend.

## CONNIE KAMMERER TO AGAIN HEAD FIRETTES

Mrs. Connie Kammerer was re-elected president of the Truckee Fire-ettes at the meeting held Thursday at the Alpine Riverside Hotel.

Other officers selected for the new year are Mrs. Mary Harrison, vice president; Mrs. Ella May Dolley, secretary, and Mrs. Rose Waters, treasurer.

During the evening, Mrs. Kammerer was presented with a diamond studded bracelet in appreciation for her work and the fact she was the first president of the active organization.

## Wolverines Drop Hoop Contests To Winnemucca Five

### Defensive Lapses Blamed As Locals Lose By 64-52 Score

By KRIS FELTE

Defensive lapses and too much Bill Berry were the key factors in Winnemucca last Saturday as the Buckaroos hustled to a 64-52 win over the Wolverines.

Tahoe Truckee could not keep Berry off the boards as he was able to tip in four first quarter baskets and dominate the rebounding department.

Winnemucca started off the first quarter sizzling hot, scoring 22 points to TnT's 11, by using a brilliant fast break and rebounding superiority. Bill Berry was the big gun in this scourge, with nine points.

In the second stanza the hot Buckaroos lengthened their lead to 14 points.

The third quarter saw the home team throw up a stone wall defense and a hot offense. Gary Hoxey's 6 points and Bill Berry's 5 paced the attack, as they increased their lead to 56 to 32.

In the fourth quarter the scene was completely reversed, as Truckee scored 20 points to Winnemucca's 8. Truckee's Bob Merica had 8 points and Leroy Ryser had 8 points; Ryser getting his all from free throws.

Winnemucca had brilliant rebounding, and a good fast break. Their shooting was not very good from the outside, but their ball handling helped them work the ball on the inside.

The Wolverines' free-throw shooting was good as they hit for 20 out of 29. The hustle and determination of this team, in the fourth quarter, was terrific. Had time permitted, they probably would have been the winners.

## Local Officers Are Busy During Year

Officers of the Truckee sub-station of the Nevada County Sheriff's Department answered 1134 calls and complaints during 1959 and made a total of 493 arrests, 488 men and five women.

This is according to a report submitted to Sheriff Wayne Brown by Chief Deputy Roy Waters this week.

The report showed 60 felony investigations of which 14 were for grand theft and 36 for burglary and the balance for miscellaneous offenses from armed robbery to forgery.

Loss by burglary totaled $7,043.84 of which $3,729.21 was recovered, while the loss from grand theft totaled $7,001.74 of which $1,928 was recovered.

There were 312 misdemeanor investigations and 185 for petty theft. Of the 33 juvenile investigations, the report said, 21 youths were certified to the juvenile authorities.

## SKI TEAMS AT HIGH SCHOOL IN PRACTICE

Ski team practice has started at Tahoe Truckee High School under the direction of Eugene Goodrich. The team will work out in Squaw Valley after school. They have been practicing in the high school gymnasium.

The girls team members are: Sandy Fellows, Linda Giovannoni, April Lander, Pattie Lewis, Valerie Mandeville, Sue Scott, Jeanne Spitsen and Captain Sherry Thatcher.

Members of the boys team are: Parky Bechdolt, Mike Burke, Bob Forster, Trent Giannini, Robert Hobbs, Dave Kettenhofen, Randy Pomin, Wayne Poulsen, Randy Schultz, John Stephani, Nick Stone, John Suter, and Captain Doug Ball.

## "SQUAWK BOX" WILL BE USED ON HIGHWAY

An innovation by the division of highways will soon become effective when "squawk boxes" will be put into use to advise motorists of delays along the highway.

District Superintendent Frank Fox said the boxes will be used when tieups occur to advise motorists who soon line up behind the trouble what has happened and how long they may expect to be delayed.

## Chamber To Seek Enforcement Of 2-Hour Park Law

N. F. Dolley, president of the Truckee Chamber of Commerce, was instructed by the board of directors at yesterday's meeting held at Smart's to contact H. G. Loehr local county supervisor and ask him to direct the board to start enforcement of the two-hour parking ordinance on the main street about February 1.

The ordinance was passed some time ago but has not been enforced. It applies only to the north side of the main street between Spring and Bridge streets.

The ordinance is aimed at "permanent" parkers, those who are using the street constantly day and night. This practice, it was pointed out at the meeting, prevents adequate snow removal and blocks shopper parking.

The sheriff's deputies will be asked to enforce the ordinance as soon as signs have been installed.

Because of the urgent business resulting from preparations for the Olympics, Dolley said the chamber would meet each Wednesday at Smart's beginning next Wednesday.

## $1,000,000 Fund Is Asked For Games

California's Governor Pat Brown has been requested to call a special session of the legislature for February 1 to consider, among other matters, an emergency appropriation of $1,000,000 to the state department of finance for possible operational use in staging the 1960 Olympic Winter Games at Squaw Valley.

Announcement was made by State Senator Ronald Cameron of the 7th senatorial district in which the games will be held February 18 to 28.

Cameron made the announcement after five days of conferences in Squaw Valley, Sacramento and San Francisco.

If the governor approves the request, Cameron said he is prepared to introduce the bill to authorize the contingency fund to meet all operational expenses in case of inlement weather or other unfavorable conditions which might adversely affect the anticipated revenue from the games.

The money would be used only if the proceeds from the games are insufficient to meet the costs and has no bearing on the $8,000,000 appropriated for constructing the permanent faciilties for the tate park system. The funds would be controlled by the department of finance and would be exclusively for operational use.

There is a possibility that it will never be needed and there is a chance that the return from the games may make the state a large profit, Cameron was advised in the conferences.

## EMBLEM CLUB WILL HOLD CARD PARTY

KINGS BEACH — Members of the Emblem Club No. 347 and their guests will hold a card party, January 28 in Bacchi's Inn, Lake Forest.

Dessert will be served promptly at 1:30, following card playing made up of tables of players choice.

Mrs. Allan Calhoun will be in charge of the tickets and reservations for the affair may be made by calling JUniper 3-3567.

Mesdames Ray Grahn, William Hunter, Robert Sumners will be hostesses of the afternoon.

## DATES ANNOUNCED FOR TALENT SHOW

CRYSTAL BAY — The Sierra Winter Stock which has met at Crystal Bay Club for rehearsals has announced new dates for the play, Janus which will be given Friday and Saturday evenings, January 15 and 16 at 8 p. m. and a Sunday 2:30 matinee in the Tahoe Lake School at Tahoe City.

Dr. M. Schwartz said the admission will be $1.50 a person, with tickets being available at the door.

## NOW IN SOUTH

Mr. and Mrs. Paul Parlari are located in Millington, Tennessee where he is in military service. The young couple is well known here where he was employed by Z Market and Mrs. Parlari is the former Nancy Kaspian, daughter of Mr. and Mrs. George Kaspian of Truckee.

## Truckee Has 34.8 Percent Business Gain In Ten Years

### Local Growth Exceeds All Other County Areas During Period

Nevada County listed 6.4 per cent more businesses in 1959 than in 1954 according to a report released by Dun & Bradstreet.

Grass Valley realized a 6.2 per cent increase, Truckee a 34.8 per cent increase and Soda Springs a 7.8 per cent increase in the number of listed businesses for the same period, while Nevada City suffered a drop of 13.5 per cent.

"There were 446 businesses listed this past year in Nevada County which is an increase of 27 businesses over 1954," said R. F. Cathcart, district manager of the San Francisco office of Dun & Bradstreet.

Basing his facts upon the figures in the current November 1959, Reference Book, Cathcart points out that the 47 counties of northern California showed an increase of 9.8 per cent for this five year period.

The reference book lists only manufacturers, wholesalers, retailers and some service companies, such as gasoline service stations and laundries. It does not include all professional and service businesses such as barber and beauty shops, real estate and stock brokers.

This month business concerns in all parts of the country will receive requests for their annual financial statements. Requests this year will go to over three million businesses in over 50,000 communities in the United States which are listed in the Dun & Bradstreet Reference Book.

Using the Dun & Bradstreet Reference Book listings as a guide here are the comparative statistics on the growth and development by cities during the past five years:

| City | Listings in November 1954 | Listings in November 1959 | Percentage Change |
|---|---|---|---|
| Grass Valley | 224 | 238 | + 6.2 |
| Nevada City | 104 | 90 | —13.5 |
| Soda Springs | 13 | 14 | + 7.8 |
| Truckee | 66 | 89 | + 34.8 |

## Fire Losses Heavy During Past Year

Losses from fire within the Truckee Fire District during 1959 totaled $211,399.28, according to a report issued by Secretary Roy Waters of the Truckee Volunteer Fire Department.

The principal loss was that sustained by the Burney Lumber Company last fall when a fire which threatened the entire community raged for hours in piled lumber and decks of logs. Loss of the Gateway Garage was also high.

The report shows there were a total of 48 alarms answered and the fire department spent 34 hours combating blazes.

There were 33 calls to residences, three to business houses, six vehicle fires, three each to rubbish, forest and three false alarms.

The estimate of the losses, Waters said, was made by the owners of property destroyed.

## FRED WADE EXPIRES AT SOUTHERN HOME

KINGS BEACH — Funeral services were held Saturday morning from the Wiefels & Son Chapel in Palm Springs for Frederick Wade, a retired motel owner who had operated the Lazy L Court at Kings Beach for the past 12 years.

Wade and his wife, Sophie C. Wade, retired last year and went to Palm Springs to make their home. He had been in ill health for a number of years.

Wade was 68 years of age and was a native of Sydney, Australia but had been a resident of California for 48 years. He was a member of the Masonic Lodge No. 180 at Petaluma.

Besides his wife, Wade is survived by a daughter, Marjorie Faulker of Palm Springs and two grandchildren.

The services were read by George Mannington first reader of the First Church of Christian Scientist and inurnment was in the Montecito Memorial Park crematorium at San Bernardino.

### WEATHER

Saturday p. m., 36 dgrees, about 6 inches of snow on the ground. After a snow on Friday, chains are the order of the day. A few busses loaded with skiers, all enthused with the thoughts of the much-heralded Olympics being just around the corner.

### GOING OUT

It looks as though one of our good Lions is moving out of Tahoe Vista. Lion members, Mr. and Mrs. Jackson Brandt we hear, are moving to San Jose. We are sorry to hear this as they both love the lake and then again, Ernie and Unadel Crawford have moved into the Driftwood Motel where the Brandt's have been living.

### BIRTHDAY

Recently our good friend, Johnny Rayburn of the Crystal Bay Club celebrated another birthday. John was made very happy by the fact that the employees presented him with a beautiful barometer. It was a beauty.

### COURT HOUSE

Now I am told that the building of the new court house which we thought was almost finished according to our good supervisor, Frank Paoli, is stopped on account of the heavy frost that has been plaguing us of late. They will build us a court room at the Fish Hatchery as well as an office for the sheriff's department, at least that is the planning at the moment. This is to make room for the postal department in our office in Tahoe City.

### NICE TRIP

Byron and Wilma Abbott took a trip to Lake Cap, Washington, and spent the holidays with their daughter, Diana, and her husband and family, Mr. and Mrs. Maurice Lemie. On their way home they spent a few days at Bakersfield with daughter, Jackie and husband and family, Mr. and Mrs. Dick Lawrence.

### MORE SNOW

Snowed all night, over two feet by morning.

### ON TRIP

Sam and Ruby Faulkner took off, snow and all, for a trip to Sacramento. They took as their guest, Helen Stokes, who will visit her daughter, Peggy. Hope you all had a wonderful time.

At the end of World War II, the United States had facilities for the production of about 1,100,000 tons of synthetic rubber.

# DONNER DOINGS

By VIRGINIA O'BEAR

Well, we all wanted snow and now we have it at last. We have had so much snow here at Donner Lake that we cannot even see out of our windows in the back. The summit has been closed off and on several times, and Tuesday the children had a ball making snowmen all day as there wasn't school to attend because of so much snow to be removed from the school grounds.

The Nevada County Planning Commission has set January 25 for the date of the meeting concerning zoning for Donner Lake. It will be held at Donner Lake Lodge in the evening at 7:30. No doubt all property owners at Donner have received a notice from the commission, as we received one Monday. It states the boundary lines where the proposed zoning will be affected. It would be wise for every property owner to attend this meeting and voice your opinion whether you are for zoning or against it. Now is your chance to meet with the planning commission and since they are coming all the way up here it would be nice for everyone to turn out for then you will get all of the information first hand. A second hearing is set for February 15, in the supervisors' room at the court house in Nevada City, concerning proposed, precise residential zoning (RI) in the Donner Lake area in accordance with the Nevada County ordinances No. 196 and 234.

The Ladies Auxiliary of the Donner Lake Volunteer Fire Department will meet at Donner Lake Lodge on Thursday, January 21. The dinner and business meeting is scheduled for 7:30 and that evening the new coffee maker will be on display for all of the members to see. Go prepared to purchase your genuine black pepper and your pure vanilla. Each sells for a dollar and it is well worth it as it is a large box of pepper and a large bottle of vanilla that is pure, not imitation. By purchasing these items, we will be able to keep the coffee maker to put in the firehouse. Let's have a complete sell out next Thursday night and buy up all of the pepper and vanilla.

Mr. and Mrs. George Hansen had some young friends visiting over the weekend from Sacramento. They were Glen Shaw and Bob Bloom and if you went by the Hansen home this week you couldn't help but see the attractive snowladys the boys and daughters, Shirnell and Debbie, made. The boys managed to get in some skiing at Squaw Valley before they went back home.

Some Donner Lake ladies hold important roles in the Naomi Rebekah Lodge No. 2. Mrs. Ted Franklin is now noble grand, replacing Mrs. Hank Slack who had a very successful year. Mrs. Art Mori has become vice grand and will replace Mrs. Ted Franklin who held that office last year. Many other ladies at Donner Lake were installed as officers Wednesday night and a full report will be given next week.

Mr. and Mrs. Barak Wright will be moving into their new home at Donner Lake any day now. Wright is a building contractor and they have been living here at Donner while he has been building the home.

Several young ladies at Donner Lake joined in with young ladies at Gateway and Truckee to entertain the Rainbow Girls Saturday night. Several numbers were presented by their teacher, Miss Renee Hall. One of the numbers was Tennessee Wig Walk danced by Karol Sauby, Linda Russell, Pamela Horman, Sandy Davis, Sandy Ferdinand and Jennifer O'Bear. This was a darling number as the girls were barefooted, wore checkered shirts, old jeans and straw hats and some had pigtails. The second number was a medley of hulas danced by Karol Sauby, Linda Russell, Dawn Maynard, Sandy Davis and Jennifer O'Bear. Miss Hall danced a Mexican dance that was enjoyed by all.

## Winter Driving Tip

**HOW TO STAY OUT OF SKIDS**—To maintain traction and control of your automobile when driving on ice or snow the California State Automobile Association says to: (1) keep your speed well below dry-road speed; (2) keep your car pulling steadily; (3) take curves cautiously; (4) avoid turning quickly or swerving; (5) avoid applying the brakes suddenly or too hard; (6) don't accelerate suddenly; and (7) if necessary to shift to a lower gear or drive range do it gently.

WHAT'S DOING

E. J. Bean, your Telephone Manager in Truckee-Tahoe.

Meet Pat Edwards, a service representative in one of our telephone business offices. Like service reps everywhere, she answers questions or requests when people call in about their service. We wanted you to meet her because she's typical of the people we like to have working for you—bright, personable, and likes to help others. Naturally, she got plenty of special training before she took over her service desk. That's the way we like to do it . . . help people like Lillian build careers for themselves while they do a good job for you.

**You know that wire** that runs from your phone to the pole outside? It's called a drop wire. With lots of new phones going in, you've probably seen phone men hooking up these wires. Most always, they have a few small pieces left over. Do they throw these pieces away? Not at all! These "leftovers" are put together into lengths of wire we can use somewhere else. We do it by melting the leftovers down, along with other scrap metal and cable pieces. And you'd be surprised . . . just from this reclaimed metal alone we get hundreds of miles of new wire every year. So you see, just like a budget-minded housewife we make good use of our scraps!

**LOOK magazine readers** may have seen the article about the Los Angeles "Family Housing Conference" attended by 100 builders. These builders asked a panel of 28 home-owners (23 women and 5 men) for their opinions on everything from doorknobs to landscaping—to telephones. And the ladies agreed: a kitchen phone is "an absolute necessity". One woman added, "We have four telephones at our house, and when I put them in I was criticized by my husband, who does some traveling. We have one in the kitchen, the basement, living room, and one upstairs in my bedroom. But when my husband calls home on his trips, all three of us get on the phones and talk to him and he talks to all of us at once, now he says, '. . . it's worth it.'" **Pacific Telephone**

There will be a winter car-check by the highway patrol on Friday, for students driving their cars to school. All students who drive cars are urged to bring them at this time. Cars passing the check will be given parking stickers which permit them to be parked on campus. Students unable to bring their cars on Friday may contact a member of the traffic safety commission to check and issue stickers.

The divine source of all existence will be brought out at Christian Science services this Sunday.
Keynoting the lesson-sermon on the subject of "Life" is the Golden Text from Psalms (42:8): "The Lord will command his loving kindness in the daytime, and in the night his song shall be with me, and my prayer unto the God of my life."
From Science and Health with Key to the Scriptures" by Mary Baker Eddy will be read the following: Because Life is God, Life must be eternal, self-existent. Life is the everlasting I AM, the Being who was and is and shall be, whom nothing can erase" (289:32).
Scriptural passages will include the following Psams: "The glory of the Lord shall endure forever: the Lord shall rejoice in his works. . . . I will sing unto the Lord as long as I live: I will sing praise to my God while I have my being" (104:31,33).

# TAHOE TRUCKEE SCHOOL NEWS

### TRUCKEE ELEMENTARY

KINDERGARTEN: We started our rhythm band this week. All members of the class are enthusiastic musicians, though they all wish to be drummers.

FIRST GRADE: These children received good scores on recent word vocabulary tests: Billy Fordham, Nancy Rablin, Gary Grow, Janet Corro, Nola Houlgate, Donna Horman, Peggy White, Anne Hackett, Steven Mitchell, Kenneth Grady, Joan Apple and Debbie Jellin.

FIRST AND SECOND GRADE: We welcome Donna Huse and Gary Santino to our class. Pat Stone had her tonsils out. Blanche Ploof came to visit our class. Kent Mullis wrote a story of winter.

SECOND AND THIRD GRADE: Class monitors for the month of January are: Flag salute and class leader, Debby Jo Wurst; date, Sandy Ferdinand; weather chart, Claudia Rhoades; milk, Carl Mahon; equipment, Diane Rose and Augie Acosta; lunch cards, Fred Stewart; games, Mark Manley and Mike Davis. Claudia Rhoades is room manager.

THIRD GRADE: New class officers for the month of January are: Bruce Leamon, pres.; Brian Smart, vice-pres.; Elizabeth Richards, sec.; and George Franceschini, treas.

New monitors are: Jack Mitchell, board; Joe Reichlin, paper; Curt Wurst, balls; Monte Neugebauer, librarian; Steven Silveri, milk; Mary Lou Randall, sink, and Tammie Richards, calendar.

FOURTH GRADE: Our pres., David Curtis; vice-pres., Fred Wilhelm; sec'y., John McGlade. Our champions in the long review of spelling words were: John Clark, Thomas Holleman, Mike Kydd, Jennifer O'Bear, Linda Russell, Karel Lynn Sauby, Mary Stacy, Jenny Wilhelm, Kathy Worley. Barry Waters and Bill Rose made an electromagnet out of a dry cell, some wire, and a nail.

FOURTH AND FIFTH GRADE: We have two new children. They are Dianne Huse and Bobby Weihe. Sheila Rosamond has shown us some pictures of Mt. Lassen. In spelling, 5th grade, Gail Englehart, Garee Lynn Stewart, Beverly Holleman, Cheri Comola, Cam Houlgate, Craig Mullis, Nicky Kenyon, Bernard Stacey passed with 90 per cent or higher. In social studies test, 5th grade, Billy Sassarini, Cam Houlgate, Craig Mullis, Beverly Holleman passed a test on the Middle Atlantic states.

On another history test, Dianne Huse and Craig Mullis were the only ones that passed. In social studies, 4th grade, Pam Horman and Sheila Rosamond received A's.

In 4th grade spelling test, Pam Horman, Nancy Randall, Carol Brown, Sheila Rosamond, David Higgins, Judy Ingalls, Rod Farley, Jerry Neugebauer passed with grades of A. The new class officers are: chairman, Pam Horman; co-chairman, Dianne Huse; secretary, Beverly Holleman. Some of the 4th graders acted out a play: Tommy Romo, Carol Brown, Nancy Randall, Chris Kumle, Sheila Rosamond being the actors and Pam Horman, the narrator.

FIFTH GRADE: In a recent public speaking exercise entitled "How I Will Change Me in '60" outstanding elocution contributions were made by Heidi Euer, Jack Melugin, Shirley Conston and Pat Merica.

SIXTH GRADE: Special reports on South America were given by Tom Butrick, Cynthia Chandler, Dawne Lee, Ann Morey, Connie Rhoades, Betty Saarni, Monty Straub, Steve Van Sickle, Karen Walker and Cathy Wilhelm.

SIXTH AND SEVENTH GRADE: In spelling, Judy McGwinn, David Sorani, Terry Stark, Catherine Wilhelm and Betty Saarni have received straight A in both penmanship and spelling correctly. Book reports have been the big issue in reading lately for both 6th and 7th.

SEVENTH GRADE: Those who received 100 per cent in spelling were: Glenda Stark, Susie Knapp, Marcia Leamon, Lynn Quartly, Sharlyn Levy, Brenda Blair, Chuck Spillner, Bill Scott and Bobby Jackson.

Our editors: David Fordham, Lynn Quartly, Glenda Stark, Danny Garcia, Sharlyn Levy, Marcia Leamon.

EIGHTH GRADE: There was a class meeting and those receiving offices were: Norman Doolittle, Ron Brown, Susan Sciutto, Bob Frates and Bonnie Fair.

### KINGS BEACH SCHOOL

KINDERGARTEN: Each child is bringing something to contribute to the "bird cakes" we will make. Helping in this project are: Mike Rich, Sherry Watson, Curt Stumbo, Moira Price, Sonny Woods, Kris Weber, Diane Tufts and Steve Wright.

FRST GRADE: It will soon be moving day for us again. We hope to be moved back into our school after February.

SECOND GRADE: There is another new boy in our room. His name is Mark Rives. Mark came to us from the Hawaiian Islands. Pat Wall transferred to Sonoma County, making a total of thirty-eight pupils.

THIRD GRADE: Now that snow is falling we are reading about the Far North, the Eskimos and the new state Alaska. The class has been making maps, drawing pictures of igloos, huskies, and Eskimos. We are working on our bulletin boards in keeping with this unit. We had an arithmetic quiz contest on combinations with Randy Hiatt as the class winner and the boys defeated the girls by one point.

FOURTH GRADE: We are studying the beginning of settlers of California. The class has been interested to find out there were four different countries that sent ships to trade and try to settle California. Spain was ruling the Californians at this time.

SIXTH GRADE: Our sixth grade class were sorry that Dennis Stevens and Joy Ann Wall left. Last Tuesday we didn't have school because the water main froze. We will have to make it up in February.

### TAHOE LAKE SCHOOL

KINDERGARTEN: Susan Lewis was presented a birthday book on her 6th birthday, Thursday, made by the children.

FIRST GRADE: Top scores on reading tests this week were made by Yvonne Baker, Marlene Lisle, Steven Cross, Sherry Freeland, Lenell Topol, Kathy Mitchell, David Thomson, Stephen Kilbourn, John Geyer and Steven Henrikson.

SECON DGRADE: A final dictation test was taken on Friday. Christian Keehn, Mark Davis, Dorothy Pomin, Sally Starratt and Lisa Beckman also Mindy Bechdolt hold the highest place in the room in spelling. They all have a near perfect score for over a 225 word review test.

THIRD AND SECOND: This week we have studied the Olympic games, why they originated and where they originated.

Officers for this week are: Scott Broomhall, president; Billy Litke, vice-president; Ray Street, secretary.

Our new boy this week is Bradley Falk, and he is from San Francisco.

THIRD GRADE: Class officers are Sands Hall, president; Mark Calhoun, vice-president; and Poulsen, secretary.

FOURTH GRADE: Tommy Easterly, Ernie Marier, Kim Marvin and Roxanne Anders have completed a mural showing the animals that lived in America when the first Asians migrated into our continent.

We are happy to welcome two new students into our class, Steven Hudgens and Edward Scott.

FIFTH GRADE: Individual history booklets on Tahoe were started this week with Squaw Valley Making the leading and beginning chapter.

SIXTH GRADE: In our six week review test in spelling the following people received A papers. Kristin Meixner, Judy Ingram, Steven Rodgers, Cathy Conners, Karen McBride, Wayne Johnson, John Handy, Greg Sumners, Alice Calhoun, Joyce Naderson, Alex Cushing, Julie Bechdolt, Dick Neilsen, Jerry Jorgensen and Jeff Sutton.

With the completion of our unit of Mexico, students turning in excellent outlines were: Linda Hammer, Cathy Conners, Kathy Ann Wison, Kai Smith, Kirsten Hansen, Warren Moyer, Jake Obexer, Lyn Dutton, Judy Ingram, Karen McBride and Stephanie Snyder.

SEVENTH GRADE: Our seventh grade class lost two students this week: Sally Lee Crowl to Palm Springs and Jerry Hopson to Anderson. We wish them well in their new schools.

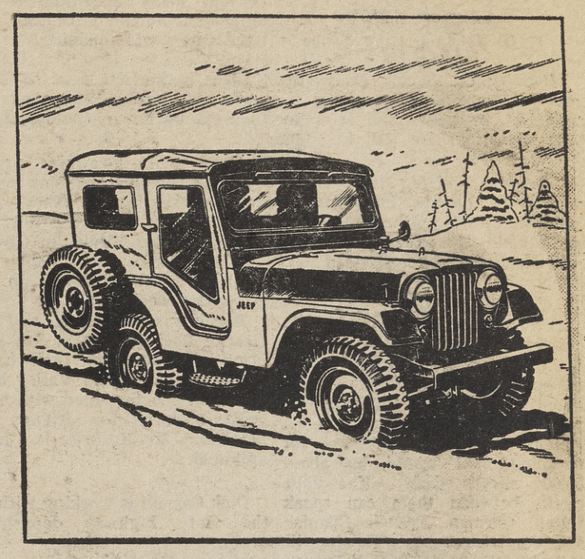

In the six weeks review test in spelling, the following students received excellent grades: Wendy Broomhall, Lisa Davis, Randa Fugere, Eddie Hoff, Julie Mockaitis, Susan Stephani, Sherry Wall, Linda Wolden and Katie Schwieger.

In completing our study of China, students who prepared excellent outines on this subject were: Wendy Broomhall, Don Bury, Patti Byrd, Randa Fugere, Eddie Hoff, Greg Moore, Holly Shaw, Karen Simpson, Susan Stephani, Toni Taylor, Sherry Wall, Linda Wolden and Katie Schwieger.

This week all students participated in presenting oral and written book reports. Those doing particularly good jobs in both areas were: Wendy Broomhall, Holly Shaw, Susan Stephani and Sherry Wall.

SEVENTH GRADE: The A students in our review spelling test were Amy Arndt, Kent Fugazi.

High boots, shovels, chains and woolies were de riguer for the motorist, or pedestrian at Tahoe last week and are still in vogue

* * *

Everyone is giving Jimmy Heuga a big pat on the back for his splendid efforts on the U. S. Olympic squad. The experience gained will stand him in good stead next time.

* * *

Oliver Corona, Tahoe City postmaster, who set up the Olympic Valley post office in Squaw Valley, expects his four clerks to handle about 3,000 pieces of incoming mail daily during the games. A rough estimate, says Corona, for outgoing mail would be about 30,000 pieces daily. The four clerks between them can speak Dutch, German, French, Spanish and English. Team officials will call for the mail and distribute it among the athletes. Spectators will use the general delivery system to obtain mail. Corona has set up 19 letter drops in the valley.

* * *

The Bank of America will serve the Olympics with a branch in the Valley with every facility needed, except loans, according to Vice President Roland T. Duncan. January 15 is set for opening.

* * *

This is the first time that a special post office and bank have ben set up on an Olympic site.

* * *

Tahoe City Brownies proudly finished Olympic emblems to wear on their uniforms. They did a beautiful job. On blue felt, they sewed the five circles in Olympic colors. There were about 30 Brownies who finished up this work last week.

Recently married Mr. and Mrs. George Rockrise are in San Francisco after spending their honeymoon at their Squaw Valley home where they entertained with a gay cocktail party for friends and neighbors. Mr. Rockrise is a noted architect.

* * *

Dick Carnell is working with the the state highway department again.

* * *

President Dinty Moore reports a wonderful meeting of the Lake Tahoe Ski Club last week. Movies of the 1959 championship trials at Squaw Valley were shown. About 24 new members joined up. Incidentally, membership dues in the club are $10 for a family, no matter how many, and $5 for individuals. President Moore says the club will meet each Friday during January at 8 p. m. in the Community Center, Tahoe City. No meetings will be held in February, since it is expected the Tahoe City post office will take over the center for use during that period. The first meeting after January will be Friday, March 4.

* * *

A junior meet of the Lake Tahoe Ski Club will be held at Yosemite Valley at 10 a. m., Friday and Saturday. All racers must have FWSA race cards to participate. Racers are urged to apply to club officers for their race cards.

* * *

Mr. and Mrs. Albert K. Miller and party spent some time at Tahoe. Mrs. Miller's son, Michael Marsten, who is attending school in the south, also came for a short stay. Philip Brown of San Francisco was a weekend guest.

Mr. and Mrs. E. B. (Bud) Scott have returned from Hawaii and are occupying their old house near Tahoe Tavern.

The R. W. Bruenners and her mother spent some time at their Sunnyside home.

* * *

The following weekend, Friday and Saturday, a final joint meet will be held at Mammoth Mountain. All racers must have FWSA cards to participate.

* * *

Bill Bechdolt sent off a telegram to Jimmy Heuga praising him for his wonderful try for the U. S. Olympic Team in the name of the Lake Tahoe Ski Club.

## GLOBETROTTERS TO PLAY JANUARY 18TH

The fun-loving Harlem Globetrotters, basketball's greatest attraction for the past 32 years, will make their 1960 invasion of Reno on Monday evening, January 18, Owner-Coach Abe Saperstein announced.

The clever casaba artists, who do everything with the ball but swallow it, will meet a well known eastern professional team in the University of Nevada gym in the main event of an all-star sports and variety review featuring leading figures in the sports world.

The tricky Trotters, who lost not a single game while compiling the astounding record of 411 victories last season, including many doubleheaders, parlayed their peerless record through a dozen countries.

Averaging over six feet, four inches, the big Harlem troupe will again be led by its famed clown prince, Meadowlark Lemon. Lemon is a great basketball player, but his caging ability is overshadowed by his side-splitting antics. While most players seek to collect field goals, Meadowlark's personal scoreboard is geared to laughs and in every game he emerges high scorer in this department.

### TAHOE WEATHER

TAHOE CITY—There were 20 inches of snow on the ground at Tahoe City Monday as a result of storms Friday through Monday. Precipitation totaled 2.04 inches. The temperature has ranged from a low of 25 to a high of 36 degrees. With seven gates partly open, the level of the lake Monday was 6224.96, subject to revision.

ARCTIC CAVE-MEN — Members of the U.S. Army's Polar Research and Development team have learned to make themselves cozy under the centuries-old ice and snow. Shown in the tunnel are soldiers who have built entire camps, including shops and living quarters, under the "Christmassy" stuff.

SCREAMING EAGLES—Two golden eagles, the gift of soldiers stationed in Alaska, have joined the 101st (Screaming Eagles) Airborne Division at Fort Campbell, Kentucky. Symbolic of the eagle shoulder patch worn by the 101st, the year-old birds are destined to become mascots for the division which wrote history with its stubborn stand at Bastogne during the Battle of the Bulge. Proudly holding the mascots are Specialist Fourth Class William C. Wetmore (left) and Private Louis Courthon.

Wariness at the end of the day's work, haste to get home, poorer visibility at dusk and after darkness sets in, and heavy traffic all are important contributors to traffic accidents.

"The California Highway Patrol emphasizes enforcement against accident causing violations during this period, but our men cannot be everywhere and see everything. Self-enforcement, which simply means making a conscious effort to obey all traffic laws and avoid getting into accident causing situations, will go a long way toward overcoming the hazards of the early evening period."

## NO POLICY CHANGE FORESEEN AS GAME CHIEF TAKES POST

SACRAMENTO — (CNS) — Sportsmen shouldn't look for any startling change in policies or procedures of the Department Fish and Game during the tenure of Walter T. Shannon as acting director.

Shannon, veteran of 25 years with the division and department and deputy director of the department since it was created in 1951 and came into being in 1952, was named acting director by Governor Edmund G. Brown this week. William E. Warne, director since last April, was switched to be director of agriculture.

Technically, there shouldn't be any changes in departmental policy, no matter who the director is. Under the set-up, the five-man Fish and Game Commission makes all the policy.

Practically, however, it doesn't work that way. The commission has no staff other than its assistand a couple of clerical positions. It must rely on the department for all staff work, including research, recommendations and the like.

Thus commission policy is molded by departmental recommendations.

In an interview with Capitol News Service shortly after being notified of his advancement to acting director, Shannon said he would make as few changes as possible during his time in the acting capacity. Should Governor Brown decide to make him the full-fledged director, things then might be different.

Shannon is a professional in the fish and game field and subscribes to most, if not all, of the philosophies of modern day fish and game management people. This includes such things as deer management through either sex harvesting.

Shannon believes also there should be some limit on the expensive catchable trout program.

Actually, Shannon or whoever the new director might be, will have quite a bit to do with shaping to very important policies, including the one on catchable trout. The other is the pheasant policy, which has been studied, restudied and now is in the stage of studies of the re-studies.

The commission currently has a policy on catchable trout that production should be limited to that of 1956. Such a course could be a temporary one only as eventually growth and needs of the state would outdistance the 1956 level.

The proposed policy under consideration by the commission now would limit artificial trout production to the income from trout stamps.

On the matter of pheasants, critics of the present program have been saying for years it is too expensive. The birds cost in the neighborhood of $6 each to raise and release in the field.

Studies have shown that few birds ever survive the winter following the hunting season in which they're released. And only about half fall before the hunters' guns.

The commission must decide whether to continue raising pheasants at the present level, discontinue it, raise more of them, or set up some other system. So far, it has done a pretty fair job of doing nothing about it.

If Shannon's tenure as acting director assumes any length of time, it's possible he may be in that post when recommendations to the commission on both pheasants and trout must be made. If so, he could play quite an important part in the future of California hunting and fishing.

## DRIVE CAREFULLY TO WORK, PATROL SAYS

"Take extra care while driving home from work; your chances of being hurt or killed in a traffic accident are by far the greatest during that period of the day."

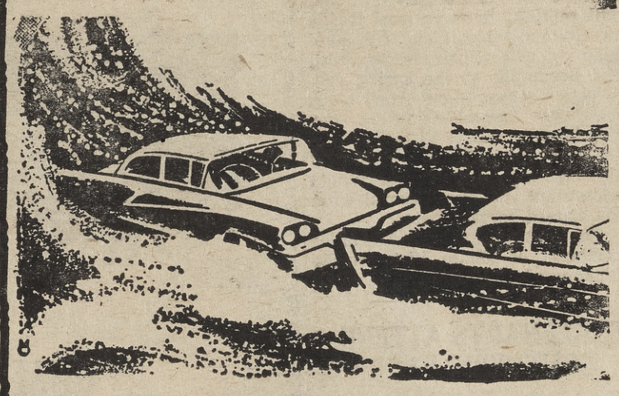

Bradford M. Crittenden, commissioner of the California Highway Patrol, in making this appeal to the state's motorists, said that more fatal and injury accidents occur between 5 p. m. and 8 p. m. than during any other segment of the period," Crittenden continued, "while more people are killed during the final hour."

Many factors combine to make the early evening hours the most dangerous, the commissioner said.

## HOSPITAL FACILITIES TO BE RESERVED FOR LOCALS DURING FEB.

TAHOE CITY — Jack McGlade, administrator of Tahoe Forest Hospital, was guest speaker at the January 5 meeting of Tahoe City Rotary Club. His subject was how the sick and injured can be cared for with facilities at hand.

McGlade said that after the failure to get any financial aid for enlarging the hospital the medical staff and the hospital board of directors worked out a plan whereby local people will have priority with four beds being reserved for them.

He said that in such a large crowd there will be sickness from one cause or another and that there will be over the usual injuries so, when all available beds are filled, the attending physician at Squaw Valley will be notified that only first aid can be given and the patient transferred to a Reno hospital. Hospitals next in line will be Auburn, Sacramento and finally San Francisco, McGlade said. Dr. L. D. Nelson is to be the receiving physician at Truckee.

Thirty-four members and two guests attended the meeting under the direction of President Bill Bechdolt. Member Don Snyder had Bob Heuga as his guest and Al Henry was entertaining. R. A. Groneger, fire chief of Squaw Valley.

At a board of directors meeting that followed the dinner, Jack Starratt, local merchant, appeared in the interest of decorating the town for the Olympics. Jack told the directors and other members who stayed, that he had raised $480 of the $930 needed to decorate the town for the Olympics and asked the aid of the club to raise the balance. Bechdolt assured Jack of the support of his club and appointed a three man committee to solicit the money.

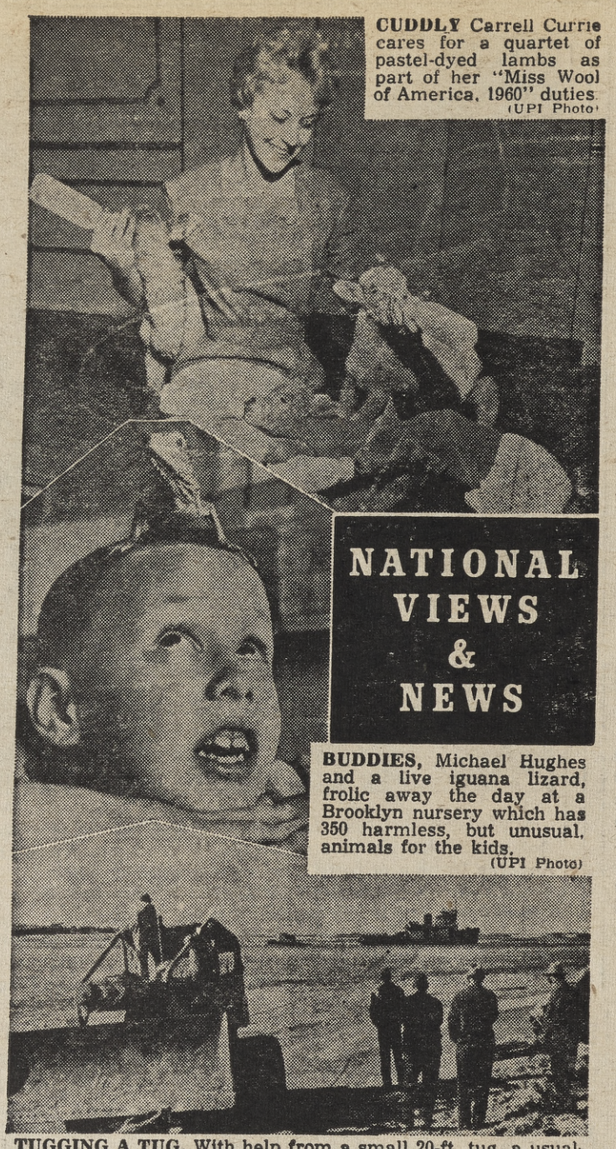

Regarding a Placer County statue recently declined by the county board of supervisors, Starratt advised that $2,000 has been contributed by various business houses and Tahoe City will supply an appropriate statue to be placed at Squaw Valley and moved back to town when the Olympics are over.

President Bill Bechdolt reported he had not so far been able to find space at Squaw Valley for a Rotary booth, that the Tahoe Inn will be too crowded for a regular meeting or even a round table where visiting Rotarians might make up and he appointed a committee to find a makeup place in town even if it a house trailer.

Another committee including Bill Briner, Harry Johanson and Secretary Harold Farr, was appointed to order Rotary flags for visiting Rotarians. Johanson was to design the flag.

## BAXTER DETOUR TO BE CLOSED MONDAY

Beginning Monday afternoon, January 11, the detour on U. S. Highway 40 at Monte Vista, about 10.5 miles northeast of Colfax, was discontinued and traffic routed back onto the existing highway.

The detour is a county road and will continue to serve local traffic to Alta and Dutch Flat. The main highway will remain in use until the beginning of the spring construction season about April 1. A $5,000,000 five-mile freeway section between Monte Vista and Baxter was begun last summer and the detour permits uninterrupted excavation and tree removal without hazard to motorists.

The detour extends 2.6 miles northeast of Monte Vista to the junction of Alta Road and U. S. 40.

## ENGLEHARTS ATTEND SOUTHERN PAGEANT

Mr. and Mrs. William Englehart and Mr. and Mrs. Englehart, Jr. and children Gail and Merrill returned from Pasadena where they were holiday guests of Mr. and Mrs. Freeman Campbell, also visiting with Mr. and Mrs. Roger Hamlin and Mr. and Mrs. J. Brown.

During the family reunion the local couple viewed the Rose Bowl parade taking colored movies of the floral foats.

## SON ARRIVES

Mr. and Mrs. Albert Manetta announced the arrival of their son, born at Sacramento January 6. The lad weighed in at 8 pounds and 10 ounces and has been given the names of Robert Inglis. Mr. Manetta included the note that mother and son are doing fine and the family is anxious to return to Truckee.

## POWER RESTORED AS TREE BREAKS LINES

Electric power to the Squaw Valley Olympic Games site was cut off Sunday morning when a huge 150-foot tree fell across the lines when it became overburdened with snow.

Twenty men with heavy equipment were immediately dispatched to the scene as soon as power was off and found six wires buried in the snow by the tree about four and a half miles south of Truckee on Highway 89. The repair work was completed Sunday afternoon.

Frank Gaiennie, district manager of the Sierra Pacific Power Company, said the line is closely watched but added that no one could have foreseen Sunday's incident.

Emergency power is available for key installations in the valley so the break caused no serious problem.

## PLANNING MEETING IS CALLED BY COUNCIL

CRYSTAL BAY—A milestone in community planning will be established January 15 when regional planner and public officials from five counties in Nevada and California meet in the Nevada Lodge.

It will be a joint session of county planning commissions with state planning aides and other officials from California and Nevada and with officials and staff members of the Lake Tahoe Area Council.

The council is a non profit, privately supported group dedicated to orderly development and improvement in the area surrounding Lake Tahoe.

One group, the bicounty planning commission, is comprised of delegates from El Dorado and Placer Counties in California. Another, the Tri County Commission, is composed of delegates from Douglas, Ormsby and Washoe Counties in Nevada.

The agenda for the morning session of the meeting will include functions, objectives and procedures of the planning commissions, a resume of planning operations in the lake area, reviews of county master plans as they affect the lake region, planning operations of lake area improvement associations and the council, and the desirability of participating in federal aid planning funds.

The afternoon session will take up standardization of terminology, requirements, procedures, administartion and ordinances between the five counties involved. Reports also will be heard on Tahoe area problems related to functions of the interstate compact commission, the preservation of beach areas on the lake, water pollution problems, and hillside subdivision requirements.

The first 1960 meeting of the area council will be held in the lodge in the evening.

## ALPINE TEAM NAMED FOR OLYMPIC GAMES

ASPEN, COLO.—The 14 young men and women skiers picked for the United States Olympic Alpine team flew from Colorado to Europe for a final tuneup before the winter Olympics at Squaw Valley, February 18-28.

The eight men and six women include four Olympic veterans. They are Marvin A. Melville, 24, Salt Lake City; Thomas A. Corcoran, 28, Beaconsfield, Quebec; Penny Pitou, 21, Laconia, N. H., and Betty Snite, 21, Norwich Vt.

Other members chosen yesterday to compete in downhill and slalom are James Barrier, 19, Kalispell, Mont.; Frank E. Brown, 22, McCall, Idaho; Gordon Eaton, 22, Littleton, N. H.; Charles Ferries, 21, Aspen Colo.; David Gorsuch, 21, Climax, Colo., and Max Marolt, 23, Aspen.

The others on the women's team are Beverly Anderson, 21, Mullan, Idaho; Renie Cox, 21, Port Leyden, N. Y.; Joan Hannah, 20, Franconia, N. H., and Linda Meyers, Mammoth Lake, Calif.

## FOOD SALE BY TAHOE PTA BRINGS IN $126

TAHOE CITY—The Tahoe Lake School P-TA will hold a meeting in the multipurpose room of the school on Wednesday, January 20 with Mrs. Diane Steinhauser's second grade as the host class.

The chairman of the P-TA food sale held Saturday, Mrs. Mickey Day, reported that $126 was made on the affair. Mrs. Day was assisted by Mesdames Glenn Meixner Unis Ingram, Carolyn Howard, Bernie Banta and Ivy Kimball. They expressed thanks to mothers who made donations of food and spent time to make the sale a success. Thanks went too, to the Girl Scouts under Mrs. Ric Giannini.

The money will be used to help defray the expense of a new fence at the school.

Pauline Keehn, chairman of the P-TA film committee reminds everyone of the Saturday movies being shown each week at 2 p. m. in Community Center.

## FORMER RESIDENT OF TAHOE DIES IN RENO

CARNELIAN BAY—Mrs. Ruth B. Robertson, a resident of the North Shore of Lake Tahoe and of Reno for the last 32 years, died at her home on California Avenue in Reno.

Mrs. Robertson was born in Centerville, Ia., Dec. 27, 1889. She resided at Carnelian Bay, Lake Tahoe, for 27 years prior to moving to Reno five years ago.

Mrs. Robertson is survived by her husband, Joe C. Robertson of Reno, and two nephews, Don Bradley of San Francisco and Jim Bradley of Omaha, Neb.

## WOMENS SOCIETY HAS INTERESTING SESSION

The regular meeting of the Woman's Society of Christian Service of the Church of the Mountains met at the home of Mrs. Victor McLane on Wednesday evening January 6.

The group wishes to thank all those in the community who contributed to the success of the chili luncheon held in December.

The life of the Christian woman in Africa was the program theme. The subject was found to be of such interest that it will be continued during the month of January, Thursday mornings at 10:15 at the home of Mrs. Ivan Wilson. Interested women in the community are cordially invited to attend.

Homemade doughnuts and coffee were served to conclude a most enjoyable evening.

## NICK KETTENHOFENS ARE PARENTS OF GIRL

Mr. and Mrs. Nick Kettenhofen of Anaheim are receiving congratulations on the January 3 arrival of their eight pound daughter.

Mr. and Mrs. Ray Kettenhofen of Chambers Lodge are the paternal grandparents of the little girl and Mr. and Mrs. Emery Lander of Truckee are the maternal grandparents.

Grandfather Lander said that the child has been named Carol Lynn.

An added note of interest is that January 3 is also the birthday anniversary of four year old Douglas Lander, uncle of the Kettenhofen baby.
